A WORD FROM THE DIRECTOR

by Sarah Beth Simmons

PARENTS HAVE AN IMPACT ON TEENS' VIEWS ABOUT SEX

"The Heritage Foundation's familyfacts.org catalogs social science findings on the family, society and religion gleaned from peer-reviewed journals, books and government surveys. Serving policymakers, journalists, scholars and the general public, familyfacts.org makes social science research easily accessible to the non-specialist," says their website. (www.heritage.org)

THE HERITAGE FOUNDATION

One of the latest findings from The Heritage Foundation gives a top 10 on how parents have such an impact on their teens and their choices about sex.

KATIE COMER
JUSTWAIT TEACHER

Katie Comer has been working with the JUSTWAIT program for 4 years. She attended the University of Tennessee earning a Family Studies degree. She ended up getting a job with JUSTWAIT after doing her internship for college with us. This past May she married her best friend and the love of her life, Adam. When asked how she feels about her job she said, "I love being a part of this ministry and so happy to be used by God as a JUSTWAIT teacher."
